January is Vocational Service Month

Information taken from www.rotary.org

The **Object of Rotary** is to encourage and foster the ideal of service as a basis of worthy enterprise and, in particular, to encourage and foster:

FIRST. The development of acquaintance as an opportunity for service;

SECOND. High ethical standards in business and professions; the recognition of the worthiness of all useful occupations; and the dignifying of each Rotarian's occupation as an opportunity to serve society;

THIRD. The application of the ideal of service in each Rotarian's personal, business, and community life;

FOURTH. The advancement of international understanding, goodwill, and peace through a world fellowship of business and professional persons united in the ideal of service.

The concept of Vocational Service

The Object of Rotary is a philosophical statement of Rotary's purpose and the responsibilities of Rotarians. The concept of vocational service is rooted in the Second Object – as listed above.

Advancing high ethical standards in the workplace

As leaders in their businesses and professions, Rotarians can advance high ethical standards by setting a positive example among employees, associates, and the community in general. All types of work-related interaction offer an opportunity to encourage ethical behavior. Here are a few specific ways that Rotarians can integrate ethics into their daily work life:

- Discuss and emphasize honesty, accountability, fairness, integrity, and respect when hiring and training employees.
- Praise and encourage the exemplary behavior of your colleagues.
- Demonstrate your personal commitment to high ethical standards in relations with customers, vendors, and business associates, treating each business interaction with care and consideration.

Integrity and ethics

Promoting integrity through ethical behavior is an essential part of what it means to be a Rotarian. Two standards developed by Rotarians — The Four-Way Test and the Rotary Code of Conduct — provide a road map for ethical behavior in the workplace and other areas of life.

The 4-Way Test of the things we think, say or do:

1. Is it the **TRUTH**?
2. Is it **FAIR** to all concerned?
3. Will it build **GOODWILL** and **BETTER FRIENDSHIPS**?
4. Will it be **BENEFICIAL** to all concerned?
